in your wisdom and love you made all things.
Bless these men,
that they may be strengthened as Christian fathers.
Let the example of their faith and love shine forth.
Grant that we, their sons and daughters,
may honor them always with a spirit of profound respect.*

Happy Father's Day!

PARISH WISH LIST

The time has come to again reach out to you, the parishioners of Saint John XXIII Parish. We find that we are again in need of your assistance in order to maintain the properties in the parish. We have been making every attempt to manage the upkeep, but it is now out of our reach. The following are the most critical items that need attention.

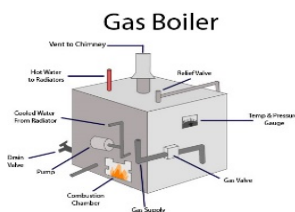

The Tri-State Fire Protection company has notified us that the fire panel is outdated and suggest the need that it be replaced, as it is too old and replacement parts would not be available, \$3,500.00

You may have noticed the “colorful” floor in the church. The broken tiles have been replaced, with non-asbestos tiles. We have investigated the removal of all the asbestos tiles and replacement of the original floor (installed in 1954) to include hazardous waste disposal for the sum of \$40,000.00. We did receive a very generous donation toward the replacement, but not nearly enough to cover the full cost.

Replace incandescent/or fluorescent lights in all the structures on both campuses with LED equipment. Estimated costs \$10,000.00. The expense would be negligible considering the savings in the power use costs over time.

The age of the boilers in Nashua (convent-rectory-church) are at a point where we will need to consider replacing them at an estimated cost of \$25,000.00 each.
(New boilers have already been replaced in Hudson.)

Please consider making a contribution to whatever project you feel might benefit the parish most.
