## ADULT ALTAR SERVERS NEEDED

Our parish is in need of more adult men and women to serve at the altar, especially for funeral Masses. This ministry provides a wonderful symbol of support of the entire parish community at a very difficult time. We are currently blessed with two adults who are serving at funerals, as they are available. Can you help us out? Training will be provided. Please speak with Fr. Eddy before or after Mass, or give us a call at the parish office.

## INFANT JESUS SCHOOL TOURS & REGISTRATIONS

Infant Jesus School is currently offering tours and accepting registrations for all students in grades Pre-K through 6. At IJS, we value education as a partnership between parent and teacher. As part of our school mission, we seek to form students with strong faith based learning, rich in Gospel values, built on a strong foundation of academic preparedness. We offer small class sizes that cater to every learner. Financial aid and scholarships are available. We invite you to come and visit. Please call for an appointment (889-2649) or stop by between 9 AM and Noon, Monday through Thursday. We are always ready to welcome new friends!

**WE ARE IN DESPERATE NEED OF VOLUNTEERS** to provide the luncheon needs for deceased family members from our parish. Many of the team members have passed on themselves or have become incapacitated to continue in this ministry.

**THIS IS SUCH A WORTHWHILE SERVICE** and is much appreciated by all who have received this kindness during their time of grief. It solves a big problem for the family of the bereaved to provide nourishment and a gathering space for their family and friends attending services.

**LET THIS BE A CALL TO ARMS TO ALL MEMBERS OF THE PARISH** who are willing to be a part of this very special committee. The committee is formed in groups of five or six people who become a part of a team and are called upon when a parish member passes, and the family has requested a luncheon. The more members we have, the less of a burden it is for the committee teams to provide this service.

**WE ASK VOLUNTEERS** to prepare some salads, sandwiches, desserts necessary to complete a light luncheon meal. Some members who prefer not to cook or bake could provide beverages, chips, pickles, or maybe even condiments. There is also a need for volunteers to participate in the serving, the day of the luncheon. We do not ask for more than what you can give.

**PLEASE CONSIDER JOINING A BEREAVEMENT TEAM** and become a part of this exceptional group. For more information, please contact Jeannine Gagnon (603-882-1557) or Rose Houseman (603-883-1367) team coordinators.

THEY WOULD LOVE TO HEAR FROM YOU.

# SAINT JOHN XXIII PARISH WISH LIST

We find that we are in need of your assistance in order to maintain the properties in the parish. We have been making every attempt to manage the upkeep, but it is now out of our reach. The following are the most critical items that need attention:

## **FIRE PANEL, STROBE LIGHTS, EXTERIOR BEACON & REMOTE ANNUNCIATOR**

We were advised that replacing the fire panel requires additional items to be added to bring us within code of the Fire Department. It will be necessary to add strobe lights in the rest rooms (3), an exterior beacon and remote annunciator at the main entrance. The cost is \$4,991 to complete the project.

*WISH LIST UPDATE: This project was paid for and the installation completed.*

## **HOT WATER HEATER**

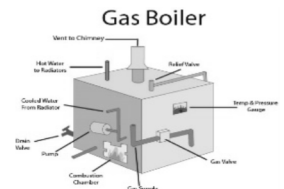

June 2018... We needed to replace the hot water tank in the church on the Hudson campus. The cost was \$1,530 for a 50 gallon tank.

*WISH LIST UPDATE: This project was paid for and the new hot water heater installed.*

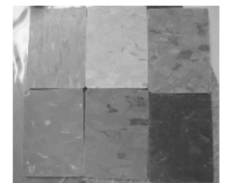

**Donations are still coming in to fulfill the wish list...**

**THE AGE OF THE BOILERS** in Nashua (convent-rectory-church) are at a point where we will need to consider replacing them at an estimated cost of \$25,000 each. (New boilers have already been replaced in Hudson.)

*WISH LIST UPDATE: The church boiler has been paid for.*

**YOU MAY HAVE NOTICED** the “colorful” floor in the church hall. The broken tiles have been replaced, with non-asbestos tiles. We have investigated the removal of all the asbestos tiles and replacement of the original floor (installed in 1954) to include hazardous waste disposal for the sum of \$40,000. We did receive a very generous donation toward the replacement, but not nearly enough to cover the full cost.

**REPLACE INCANDESCENT/OR FLUORESCENT LIGHTS** in all the structures on both campuses with LED equipment. Estimated costs \$10,000. The expense would be negligible considering the savings in the power use costs over time.

*As we continue to move forward, we thank God for your generosity and express our deepest and most sincere appreciation for your support of the parish.*
