REFLECTION - 18TH SUNDAY OF ORDINARY TIME

“Christmas in July” is a particular annual event that TV Shopping channels use to push products for the season five months out. So I am told by my sisters who are much aware of such. A clever idea for sure, perhaps even calculated to provide at least some imaginary relief from the heat and humidity of the present month.

That idea of Christmas sales led me to think of a popular movie of that season called “It’s a Wonderful Life.” That 1946 classic featured a despicable character known as Mr. Potter, played with panache by the late Lionel Barrymore. You most likely know him as the antagonist of Jimmy Stewart’s character George Bailey, the hero of the story.

One critic of the film calls it in actuality, a “dark film.” He writes, in part: “It’s a magical realist conceit, able to strike directly into the purpose of human existence and remind everyone that they’re special for who they are.” But he continues: “Yet we have to wade through the unrelentingly destructive forces of capitalism...the reminder that all people around you get to succeed while you do not...” All well and good as analysis.

For my purpose, I’d like to focus on Mr. Potter, who represents materialism in charge. He is always miserable, “speechifying” with a harsh and cynical voice. You get the unavoidable impression that for all his wealth, Potter is not a happy person. Joyless in the extreme.

Our Lord could well use Mr. Potter as an example of what He meant in His always masterful stories like the one about the “rich man whose land produced a bountiful harvest.” Note how Our Lord’s character goes past Mr. Potter by saying to himself “Rest, eat, drink, be merry.” But then comes God’s response, a unique powerful retort: “You fool!”

I believe we have been given powerful food for thought as we have sat in our favorite comfy chair and watched on our large screens the beautiful faith-filled reaction of the Ukrainian people to the evil foisted on them by Russia. With nothing more than the clothes on their backs and a small sack of family mementos, they have retained their hope and dream of victory. They have their faith in God intact and their trust in Him solid. Not based on accumulated possessions. It is the ones with the multi-million-dollar yachts who are trapped by a poisoned outlook that is far from a truly wonderful life. So, today we relearn the hard lesson that trusting in our possessions as a source of happiness is as foolish as...well, “Christmas in July.” Put another way is this analogy from an anonymous source: “Riches are a golden key that opens every door, save that of heaven.” *Rev. Leonard N. Peterson*
